Caring for our special habitat
and its residents

**Next Meeting: August 28 @ 7pm
Anzac Room – RSL**

**Osprey House – Who are we?
What do we do?**

**Pip Grant-Taylor
Volunteer Coordinator
Osprey House Environmental Centre**

Osprey House is owned by MBRC and is operated by trained and enthusiastic volunteers. It is situated within the Hays Inlet declared Fish Habitat Area, and is an integral part of the East Asian-Australasian Flyway. It boasts it..... *“Is a place where sea meets land and community meets nature”*

Pip will tell us about Osprey educational programs, its fauna protection programmes and its “look and learn” programmes that are provided for individuals and groups, from children to Seniors.

**Is this something we
could have here on
Bribie**
